

Rotary Global History Fellowship

Dear Fellow Rotarians,
Greetings....

It is my pleasure to announce the birth of the **Rotary Global History Fellowship (RGHF) newsletter**. It is the outcome of the efforts of Rotarian Heba Fahmy (RGHF V.Chairman - RC Giza Metropolitan) and the leadership of RT Ahmed El Maghraby (RC Alexandria Rakouda) who is RGHF Egypt Committee Chairperson.

The newsletter aims to enhance our efforts to keep our history alive and also to share the different methods we archive our annual activities.

I encourage all Rotarians and clubs to share their ideas and support the compilation of the history of Egypt. I would like also to take this opportunity to announce the **1st Annual RGHF Conference** that will be take place in the last week of May as a follow up on the 1st RGHF Day celebration that was organized in October 2009 and was honoured by the presence of PP Jack Selway the founder of RGHF. In our next issue we will show through historical events how Rotarians are good Gardeners and not builders and the difference between Gardeners and Builders....

I wish you the Best Rotarian Regards. Looking forward to hearing from you all.
